# *C3 Templates* for Windows™

We've done it again! ... C3 Development, Inc., the pioneer of 3rd party Windows Templates for Clarion has done it again. QBE, Inplace Editing, Mulit-page forms, etc., etc.. How many days would it take you to develop these additions? We know that your development budget may be small BUT the demands of clients aren't. If you need help, we have it. When using C3's Templates you will create brilliant applications packed full of features. Seasoned or novice, you will save and the features you can offer. How many times has a customer wanted something "Yesterday"?!

Here is your answer... you don't have to write any code! All code is ready for you! It's fast, powerful, and clean! Even complete on-line help is available, if...you need it. Simple implementation is C3's strong point. Demo's are available on C3's BBS (708)923 0206 or on CompuServe in the Clarion Forum. C3 Templates for Windows are offered alone or in bundle packs. The more you invest, the less the features become and the more time you'll save. Get yours NOW!

Access to our Templates within an hour on C3's BBS or CompuServe when using a major credit card!
