

# Citrus Zest Wreath

## What you'll need

- \* Evergreen wreath
- \* Floral wire
- \* Lemons
- \* Key limes (or kumquats)
- \* Florist's picks (with wire attached) and U-shaped floral pins (both available at crafts and floral supply stores)
- \* Holly leaves
- \* English ivy leaves
- \* Wide yellow ribbon

## Instructions

1. Thread 1 piece floral wire about 14 inches long through bottom of each lemon. Thread a second piece of same length through in a crosswise direction at bottom of lemon. Push both wire ends through wreath and twist together on back of wreath to secure.
2. Insert florist's picks in limes and attach limes to wreath.
3. Tuck holly and ivy leaves between fruit.
4. Wrap ribbon loosely around wreath. Make a large bow and attach to top using U-shaped floral pins.
5. Make loop from floral wire; attach to back for hanging.
