

Very important: you need the Pocket Toolbox Library to run the game.
To beam the game you need to beam both Ping and PToolbox.

I reserve all rights of publishing and selling this game. You may not sell anything contained within the zip file without written permission from me. You may redistribute the software of the game as you wish, but only in its complete form. The game is the property of Aerowyn Software, and may not be included in any other product without written permission from the creator.
