

## Install QUIKSAVE

If you click INSTALL QUIKSAVE, the File|Save menu command is replaced with a File|Save menu that contains the following commands:

<b>Replace</b>	Saves the file over the file on disk
Shortcut Key:Shift+F11	
<b>Backup Same Directory</b>	Backs up the file on disk before saving
Shortcut Key:Alt+F11	
<b>Backup Backup Directory</b>	Backs up the file to your backup directory
Shortcut Key:Ctrl+F11	(drive A by default) in addition to the file's normal directory.
<b>Backup Options...</b>	Lets you set the directory to backup files to before saving
