

# KMT Software

KMT Software, Inc., the developer of these Corel Quattro Pro templates, has been a leader in the software market since 1991. KMT has developed a wide variety of application template products for a variety of applications including Quattro Pro and WordPerfect. The following three products are available at special prices. Order all of them in the bonus pack for the best possible savings!

If you are interested in having KMT develop templates for your organization, contact us by phone at 508-371-2052, by fax at 508-287-0132, by email at sales@kmt.com, or online at [www.kmt.com](http://www.kmt.com).

If you are a WordPerfect user, inquire about KMT's WordPerfect Template Collection. It includes a variety of WordPerfect, including a variety of consistent business forms, personnel documents, award certificates, spreadsheets and great looking marketing materials. It's just \$29.95 for the entire collection.

## WINNING BUSINESS

Turn your Corel WordPerfect Suite 8 into a complete Business Planning System. Winning Business Plans is a comprehensive product designed for Corel WordPerfect Suite that provides a complete and professional business plan. If you want to LOOK GREAT and get terrific results for a new or existing company, act now on this offer.

### ***Winning Business Plans guides you every step of the way:***

- A Corel Quattro Pro notebook speeds the development of your detailed financial analysis
- An integrated Corel WordPerfect document has prompting text and embedded links
- A sample company web page is included along with resource links that point you to relevant information
- Winning Business Plans comes with completed sample plans

### ***Winning Business Plans is the most comprehensive business planning product available:***

- The Corel Quattro Pro notebook contains detailed financial analysis on Profit and Loss, Sales Forecasting, Break-even analysis, Income Statement, Balance Sheet and Financial Ratios
- The Corel WordPerfect business plan template contains a complete business plan and example prompting text for each section of the plan. The Corel Quattro Pro financial analysis and color charts and tables are automatically positioned in the document

Valued at \$99.95 . . . . Special In-Box Price \$79.95

## PERSONAL FINANCIAL PRIMER

Use the power of Corel Quattro Pro to better maximize your personal financial goals. The Personal Financial Primer guides you each step of the way. Select a topic like Personal Net Worth, Retirement Planning, College Savings, and the Primer defines each topic for you clearly -- you just enter the data. The Personal Financial Primer prepares summary worksheets based on your data entry progress. With the primer, you will be able to plan your financial future by better understanding your financial situation.

- Personal Data and Goals
- Personal Financial Statements
- Cash Flow Plan
- Retirement Plan
- 401 K Analysis
- Invested Asset Allocation

Valued at \$39.95 . . . . Special In-Box Price \$29.95

## THE ULTIMATE FINANCIAL CALCULATOR

With the Ultimate Financial Calculator, you will be able to solve the financial problems mentioned on a daily basis. In one integrated Corel Quattro Pro notebook, the user can easily select the main menu to solve the following financial calculations:

- Determine the value of a bond; determine the annual yield for a bond if held to maturity
- Establish book and liquidity values
- Quickly determine liquidity and activity ratios
- Calculate debt and profitability ratios
- Determine the present value of a single amount, a mixed stream of cash flows or of an annuity
- Understand the future value of a single amount or an annuity
- Calculate the net present value of an investment with up to 15 years of cash flow; calculate the internal rate of return
- Compute the annual rate of return needed to meet a financial goal
- Determine the real rate of return and the after tax return; ascertain taxable equivalent
- Calculate a monthly lease payment for a car
- Determine loan pay-off amount
- Assess a consolidation loan to pay off debt
- Use the refinancing calculator to see if refinancing makes sense
- Compute monthly payments and final payment for balloon mortgage
- Amortize a loan; calculate a biweekly mortgage; determine housing affordability
- Understand your personal safety debt ratio

It's better than having all of your MBA textbooks by your side, because the calculator solves all of them!

Valued at \$49.95 . . . . Special In-Box Price \$39.95
