...And You're Under Way!

You rank 28th in a pack of 40 surging, screaming machines, all vying for the lead position. Just ahead and to your left, Car 16 takes a glancing hit from behind and spins wildly. You dodge just in time to avoid a pileup, but two other drivers aren't so lucky... With seven laps to go, you downshift just before the entrance to the hairpin before the Start/Finish line, but you've come in too fast. Tires scream as the g-forces pull your car to the right, and the wall looms close. All you can do is hang on and pray that you squeeze by—at 200 miles an hour, kissing the wall is not something you want to do...
