

Save the files below (DCPVRNT3.DLL, DCPRAW16.DLL,DCPRAW95.DLL) in the folder:

C:\Program Files\Mirage Media\Mortyr\Data.

If you have chosen a different folder during the installation than the default map then save the file in:

[name of installation folder]\data

If Windows asks if you wish to overwrite an existing file, answer 'yes'

The programme shall, if the drive assignment is higher than H:. look for the first CD-Rom drive with a drive assignment above H:. In this drive you must have inserted the original CD-Rom in order to start the game.

The programme shall also, if confronted with a Pioneer DVD drive (or an OEM version thereof, such as A-Open), perform a correct test.

PLEASE NOTE: The game cannot be installed from an eventual second CD-Rom drive. Also during gameplay, the CD-Rom must be inserted in the first CD-Rom drive.
