Fold

How to attach  
rubber band  
or elastic cord  
to side holes.

Case 1: Punch holes

\*Hang a rubber band  
over your ears.

Case 2: Use clear tape or glue.

\*Place the elastic cord around your head.

How to cut out eyes.

Bend the mask, make a cut  
with scissors, and then cut out.

When you put the mask on, your field of vision may  
be restricted. Be careful not to trip or bump into things!
