Fold

How to attach
rubber band
or elastic cord
to side holes.

Case 1: Punch holes

*Hang a rubber band
over your ears.

Case 2: Use clear tape or glue.

*Place the elastic cord around your head.

How to cut out eyes.

Bend the mask, make a cut
with scissors, and then cut out.

When you put the mask on, your field of vision may
be restricted. Be careful not to trip or bump into things!
