# Chapter 1

## People in Astronomy

### 1.1 People in Astronomy

Short biographies exist for the following eminent people in the fields of astronomy and space exploration:

Adams, John  
Aldrin, Edwin  
Anders, William  
Ångström, Anders  
Aristarchus  
Aristotle  
Armstrong, Neil  
Barnard, Edward  
Bayer, Johann  
Bean, Alan  
Bond, William  
Borman, Frank  
Brahe, Tycho  
Cassini, Jean  
Cernan, Eugene  
Collins, Michael  
Conrad, Charles, Jr.  
Copernicus, Nicolaus  
Duke, Charles  
Einstein, Albert  
Eudoxus  
Evans, Ronald  
Flamsteed, John  
Gagarin, Yuri  
Galilei, Galileo  
Gordon, Richard, Jr.  
Haise, Fred  
Hall, Asaph  
Halley, Edmund  
Hawking, Stephen  
Herschel, William  
Hipparchus  
Hubble, Edwin  
Huygens, Christian  
Jansky, Karl

---

Kepler, Johannes  
Kuiper, Gerard  
Lassell, William  
Lippershey, Hans  
Leverrier, Urbain  
Lovell, James, Jr.  
Mattingly, Thomas  
Messier, Charles  
Mitchell, Edgar  
Newton, Isaac  
Oort, Jan  
Pickering, William  
Ptolemy  
Roosa, Stuart  
Schiaparelli, Giovanni  
Schirra, Wally  
Schmitt, Harrison  
Scott, David  
Shepard, Alan  
Swigert, John  
Tombaugh, Clyde  
Young, John

## 1.2 Adams, John Couch

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.3 Aldrin, Edwin Eugene, Jr.

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.4 Anders, William Alison

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.5 Ångström, Anders Jonas

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

## 1.6 Aristarchus of Samos

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.7 Aristotle

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.8 Armstrong, Neil Alden

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.9 Barnard, Edward Emerson

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.10 Bayer, Johann

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.11 Bean, Alan Lavern

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.12 Bond, William Cranch

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

### **1.13 Borman, Frank**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.14 Brahe, Tycho**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.15 Cassini, Jean Dominique**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.16 Cernan, Eugene Andrew**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.17 Collins, Michael**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.18 Conrad, Charles, Jr.**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.19 Copernicus, Nicolaus**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

## 1.20 Duke, Charles Moss, Jr.

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.21 Einstein, Albert

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.22 Eudoxus of Cnidus

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.23 Evans, Ronald Ellwin

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.24 Flamsteed, John

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.25 Gagarin, Yuri Alekseyevich

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.26 Galilei, Galileo

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

### **1.27 Gordon, Richard, Jr.**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.28 Haise, Fred Wallace, Jr.**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.29 Hall, Asaph**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.30 Halley, Edmund**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.31 Hawking, Stephen William**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.32 Herschel, Sir William**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.33 Hipparchus of Nicaea**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

### 1.34 Hubble, Edwin Powell

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.35 Huygens, Christian

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.36 Jansky, Karl Guthe

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.37 Kepler, Johannes

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.38 Kuiper, Gerard Peter

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.39 Lassell, William

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.40 Lippershey, Hans

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

### 1.41 Leverrier, Urbain

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.42 Lovell, James A., Jr.

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.43 Mattingly, Thomas Kenneth II

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.44 Messier, Charles

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.45 Mitchell, Edgar Dean

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.46 Newton, Isaac

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### 1.47 Oort, Jan Hendrik

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

## 1.48 Pickering, William Henry

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.49 Ptolemy

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.50 Roosa, Stuart Allen

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.51 Schiaparelli, Giovanni V.

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.52 Schirra, Walter Marty Jr.

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.53 Schmitt, Harrison Hagan

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

## 1.54 Scott, David Randolph

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

---

### **1.55 Shepard, Alan Bartlett, Jr.**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.56 Swigert, John Leonard, Jr.**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.57 Tombaugh, Clyde William**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.

### **1.58 Young, John Watts**

This information is not provided with the demonstration version of "The Digital Universe". Please consult Ordering The Digital Universe for more information on how to obtain a registered version.
