8   Finding Information

Project Builder's Project Find panel places all sorts of information at your fingertips. You can easily look up how a method is defined, where it is defined, where it is used, and its documentation. This panel also offers a global search and replace utility.

Attempt the end, and never stand to doubt;
Nothing's so hard, but search will find it out.
   Robert Herrick

As the power of endurance weakens with age, the urgency of the pursuit grows more intense¼And research is always incomplete.

Mark Pattison

Where ask is have, where seek is find,
Where knock is open wide.
