

## Special Thanks to

Muchas Gracias to **Bruce Blumberg** and **Ali Ozer** of NeXT for the seemingly endless support. To **Paul Hegarty** for the source to Draw, much of which is incorporated into the Layout section. And to all the folks at NeXT who made this machine a reality.

Thanks to Beta testers Matthew Thomas, Dan Weismann, and Browning Coke; and proof readers extraordinaire Carolyn <sup>TM</sup>Smoots Johnson and Joe Walters.

To my incredibly patient wife **Dana** and daughters Isabel and Lillie Mae, sorry about those all nighters and sleeping through Pee Wee's Playhouse!

And gee, thanks Mom & Dad.
