**Reply-To:** nwc@ny.shl.com

I found this on the back of a can of compressed air (air.Z?)

<CompressedAirWarning.tiff>

The international "Don't Stick This In Your Ear" symbol!

Thought it might come in handy....

\n

P.S. The can also had symbols for "Don't stick it in your mouth" with the can right side up, and the can upside down.....too lazy to scan and touch those up sorry.
