Subject: BlackHole Icons from 1.0

Here are the BlackHole icons used for the recycler in 1.x.
The files are named correctly so you can just replace the current recycler icons for these if you like

Subject: Colorized (12-bit) Black Hole Icons

(Apparently, this bounced. Please accept my apologies if you get this twice).

I also did a some "colorings" of one of the black hole icons.

Here are two (12-bit):
