Employee #1

Our department of focus this month is the accounting department with two new members that arrived just last week.. The first newcomer is Leith Young who recently graduated from California State University at Sacramento with a bachelors degree in business. She will be working under Vanessa Alvaro. Her hobbies include reading, traveling, surfing, and horseback riding and is really looking forward to the winters here where she can learn to ski and ice skate. She is still looking for an apartment here so if anyone knows of a place near work, please let her know.

Employee #2

Patricia Delisle who is also a new member of the accounting department graduated from the University of Michigan with an MBA last December. For the past 6 months, she has traveled the world with her husband and has many interesting stories to tell. Her hobbies include swimming, hiking, and playing the flute. She is also quite an avid Wolverine fan and welcomes all who are interested in watching college football games to go to her house Saturday afternoons during football season.

Employee #3

Vanessa Alvaro who has been with the company for the past 13 years is the manager of the accounting department. With over 15 years of experience in the travel business and 16 years of experience in accounting, she knows all there is to know about the business. She has many hobbies which include biking, traveling, and playing tennis. Her two daughters, Alyssa and Jessica, and dog, Patches, keep her quite busy. Vanessa is now looking for a home by Stevenson High School to purchase, so again, anyone with any information please contact her.
