Surprise!!!

Dear Addict,

OK, so it's not that big of a surprise– you probably already know what this page is for. This is the page where we **thank you** profusely for looking at our pictures and ask you to buy our stuff. Then, we invite you to visit our web site (www.photosphere.com) to buy our Collections (30 Collections and growing) of stock images (did we mention that you can also buy thousands of single images there, too).

So why bother with this page? Well, there are at least two good reasons. First of all, we really do want to thank you for taking the time to look at PhotoSphere Images. You see, at PhotoSphere, we still get a kick out of it when people use our pictures. We genuinely appreciate your interest (our apologies if that sounds trite). Second, we really do want you to **check us out on-line (www.photosphere.com)**. We think our web site is pretty cool because you can get even more free photos. Plus, you can order PhotoSphere Collections or purchase and download single images on-line (are we being too pushy?).

Still with us? Excellent. One last suggestion: you can check out our entire library of stock photos in the new **Preview Pac Bundle (just \$20 for the cd-rom and full-color print catalog)**. Use the enclosed order form to get your Preview Pac Bundle today. Now, for a quick review:

- 1) Thanks for your interest in PhotoSphere Images (feel free to download and use any of our photos on this cd-rom).
- 2) Please visit us on-line at www.photosphere.com.
- 3) Order the Preview Pac Bundle to sample PhotoSphere Images.

Thanks again for your interest in PhotoSphere Images.
