Extensis warrants the disks on which the software is recorded to be free from defects in materials and faulty workmanship under normal use for a period of ninety (90) days from the original date of purchase. If a defect occurs during the 90-day period, you may return the disks to Extensis Corporation for a free replacement provided that you have previously registered your product with Extensis Corporation. This warranty is limited to replacement and shall not encompass any other damages, including but not limited to loss of profit, and special, incidental, or other similar claims. This software is provided on an "as is" basis. Except for the express warranty set forth above, Extensis Corporation makes no other warranties, either express or implied, regarding the enclosed software's quality, performance, merchantability, or fitness for a particular purpose.

Apple Computer, Inc. makes no warranties either express or implied, regarding the enclosed computer software package, its merchantability or its fitness for any particular purpose. The exclusion of implied warranties is not permitted by some states. The above exclusion may not apply to you. This warranty provides you with specific legal rights. There may be other rights that you have which vary from state to state.

When using fonts, you must abide by the fonts' licensing agreement. With the exception of freeware and some shareware fonts, fonts are licensed for use on a single output device such as a laser printer or other imaging device. If you need to collect fonts with Extensis Preflight Pro and send those fonts with your files to a third party, you will need to upgrade, if you have not already done so, to a multi-printer license, or ensure that the third party legally owns the fonts to be used with your files. If you do not have a multi-printer license or if the third party does not legally own the aforesaid fonts, then you may transfer the fonts from one computer to another provided you only use the fonts on one computer at a time. You should also notify the third party about complying with the license agreement that came with the fonts.
