WinNibbles Version 2.0
The Lost Levels
Copyright © 1996 Tyler Dauwalder

Introduction:
WinNibbles is a Windows version of the MS-DOS 5.0 game, Nibbles. Added features include animated levels, a built in level editor, and lots of other neat stuff.

Installation:
To install WinNibbles, copy all the files from the archive to their own directory, such as C:\GAMES\NIBBLES2.

Shareware Notice:
WinNibbles is **Shareware**. Registration is $10.00 US. For more information on the benefits of registering and just how to register your copy, check out the help file (NIBBLES2.HLP) in the **How and Why To Register** topic. To painlessly make an order form, run the Order Form program, ORDER.EXE. It will gather all the necessary information and print out a custom order form for you.
