A portion of your fee is donated to preserving the Hawaiian environment.

As you may be aware, Hawaii has more than it's share of endangered species. That, along with a trend towards overdevelop the islands, is saddening. Because of this, we will be donating a portion of your fee to various environment agencies that help preserve Hawaii. You can help. Send email to the people that can make a difference:

Mayor of Maui: [m\\_mayor@hinc.hawaii.gov](mailto:m_mayor@hinc.hawaii.gov)

Governor of Hawaii: [governor@hinc.hawaii.gov](mailto:governor@hinc.hawaii.gov)
