

## Acrobat Exchange **“Optional Plug-Ins”** folder

This folder is the standard place to “un-install” Acrobat Plug-Ins.

### **To un-install Acrobat Plug-Ins:**

Inside the “Adobe Acrobat 2.0” folder, drag the particular Acrobat Plug-In you want to un-install from the “Plug-Ins” folder to the “Optional Plug-Ins” folder.

### **To re-install Acrobat Plug-Ins:**

Inside the “Adobe Acrobat 2.0” folder, drag the particular Acrobat Plug-In you want to re-install from the “Optional Plug-Ins” folder into the “Plug-Ins” folder.
