

Printer Supplies for the ColorStyleWriter 2400

Features

The Apple Color StyleWriter 2400 is designed for high-quality color printing. And Apple brand supplies are designed to make it consistently deliver the highest-quality output.

From reliable ink cartridges to brilliant white glossy paper, Apple delivers a range of supplies made specifically to bring out the best in your ink-jet printer, and your work.

Ink cartridges and tanks Color StyleWriter 2400 Color Cartridge

This color replacement cartridge is identical to the color cartridge that came with your Color StyleWriter 2400. Its inks are both fade-resistant and waterfast, which reduces color lightening and smudging. It includes a print head that prints up to 2,000 pages, as well as a replaceable cyan/magenta/yellow color ink tank that prints up to 150 pages (at 5 percent coverage), and a replaceable black ink tank that also prints up to 150 pages (at 5 percent coverage). The replacement ink tanks are also sold separately.
