Reunion Planner is the *ultimate* tool in planning and coordinating your family, college, high school or company reunion. It features a complete address book, integrated mail merge, budget planner, mailing labels, name badges and much, much more! At the low price of only $29.95, it can save hours of labor and headaches. Both Mac and Windows 95 versions are available.

Reunion Planner is password protected, but you can try this working demo for free! The demo is restricted to a maximum of ten records. If you find you can't do without Reunion Planner, fill out the registration form and mail it along with payment to the address below. Upon receipt, you will be sent the password to unlock the program. The password will be sent via email (if possible) or standard mail, usually within five days of receipt of payment.
