Create a TimeSlice User's Guide booklet.

We created two special PDF files designed specifically for creating a 5.5" X 8.5" user's guide booklet.

Step 1) Print the file "Side 1.pdf."
Step 2) Turn the paper over.
Step 3) Print the file "Side 2.pdf."
Step 4) Staple the middle, and fold the paper over. That's it!

When printing, be sure to have the orientation and paper size (use larger print area if available) set correctly:
