INDISPENSABLE TOOLS AND TECHNIQUES FOR GRAPHIC DESIGNERS

Find out why thousands of desktop designers and computer artists rely on our service to stoke their creativity and enhance their designs.

INDISPENSABLE TOOLS AND TECHNIQUES FOR GRAPHIC DESIGNERS

## **Bright Ideas® is a complete design service.**

Inside each volume you'll find an astonishing number of professional quality images, fonts, backgrounds, 3D models and more! You'll also receive Bright Ideas® Magazine, full of invaluable tips, tricks, design workshops, techniques and reviews of the latest desktop publishing hardware and software.

Bright Ideas® is a year round designer's service, delivered in monthly shipments. You receive timely images prior to holidays, special occasions, seasons and sports events. This allows you to develop a comprehensive library of art and type in a variety of the most popular categories and styles.

## What You Get Every Month With Bright Ideas® ...

- ▶ **Art Work:** 80 original images
- ▶ **Fonts:** 8 fantastic type styles
- ▶ **Backgrounds:** 10 tabloid-sized textures
- ▶ **3D Models:** 5 rendered and wire-frame models
- ▶ **Bright Ideas® Magazine:** 44 pages filled with outstanding tips, tricks, techniques, reviews and more!

Visit our Web site at <http://www.dtp-ideas.com>.

All this for only \$49.95 US Dollars per month and we will waive the One-Time Setup Fee of \$39.95 US Dollars.
