Chapter 14, Inside OLE

Exceptions

Allowable values for the 'Sound' property

¹ main_index

² Beeper Automation Object Help Index

#3K4 \$5 **Sound Property Limitations**

The Beeper object only allows the 'Sound' property to be set to the following values:

<u>Value</u>	<u>Windows API Symbol</u>
0 (0x0000)	MB_OK
16 (0x0010)	MB_ICONHAND
32 (0x0020)	MB_ICONQUESTION
48 (0x0030)	MB_ICONEXCLAMATION
64 (0x0040)	MB_ICONASTERISK

These are the same as the allowable values to the Windows API *MessageBeep* function.
