# Registration: Read Me First

## Step 1

### Introduction

Registration is required prior to access. There are two ways to register: self-registration and preregistration.

Save yourself some time, and [find out if you have already been preregistered by Apple.](#)

Apple channel customers with an active Apple contract are eligible to submit a Registration Request Form if they are not part of the preregistered access group.

- Read all of the ‘Read Me First document, Steps #1 thru 6.
- Pay close attention to all field instructions in ‘Step #3 : Requirements,’ particularly those for the ‘Registration ID’ and ‘User Login ID and password’ fields ! (Your Apple ID number can be obtained from your Apple PowerRep)
- After carefully reading all instructions, click on “Proceed to registration request form”
- Review the “Apple Channel Site Agreement” thoroughly, then click on “Proceed to Registration Request Form.” Fill in all personal and business fields including the specific street address of your BUSINESS location.
- Submit your registration. When your registration request has been accepted you will receive a confirming email, usually WITHIN 3 BUSINESS DAYS of your online request. If your request cannot be processed as submitted, it will be placed on hold, and you may receive an email requesting further information.
- Access to Apple Channel Site should be effective the day following receipt of your confirmation e-mail. Access to the Learn & Earn program should follow your Apple Channel Site access within another business day following overnight systems transfers.
- Log onto <https://channelsite.apple.com> and select ‘Reseller’ under the US heading. When prompted, enter the User LogIn ID and password you entered when you registered.
- Select the blue ‘Learn & Earn’ rectangle on the left of your screen, and you’re there !
