

Please print and return this electronic registration card for Cambium Sound Choice Lite.

Winner - 1995 Multimedia World Readers' Choice Award

***"... a thoroughly professional product that sets a new standard
in the clip music category."*** Multimedia World, December 1994

You now own the Lite version of the highly acclaimed Cambium Sound Choice music library. It contains the full functioning Windows™ software and 20% of the music files from Cambium Sound Choice Volume One. Test drive the software. Use the royalty-free music. Upgrade to both full volumes (over 100 clips and 800 files per disc), save \$20.00 off of the regular price (limited offer), and really make yourself heard. Call Today - (800) 231-1779. Quality music has never been more critical to your success. Try it.

Great Music: Vivaldi and Mozart to Rock and Jazz • Full volumes contain 25-30 main selections and 70-90 pre-edited shorter "bumpers," totaling over 100 clips and 800 files

Powerful Software: CD Audio, 6 WAV, and 2 MIDI versions • Shorten and fade WAV files • Interactive database • Use pre-edited loops and bumpers • Print Log Reports • Create AIFF Versions for Mac projects

Save \$20. Call now. Each full volume is priced at \$69 (\$5 s/h). Buy both for \$123 and we pay the shipping and handling. This offer ends soon, so call now.
