### WEST END SOFTWARE LICENSE AGREEMENT AND LIMITED WARRANTY

West End Software, Inc. ("West End") grants you the right to use this West End software product ("Software"), including any accompanying documentation, in the manner provided below. This Software is owned by West End or its suppliers and is protected by copyright law and international copyright treaty.

The Software is a "shareware program." A shareware program is a program provided at no charge to the you for evaluation. You may share it with others, but you must not give it away altered or as part of another system.

If you find the Software useful and find that you are using the Software and continue to use the Software after a reasonable trial period, you must make a registration payment of US\$29 to West End. The registration fee will license one copy for use on any one computer at any one time. You must treat this software just like a book. An example is that this software may be used by any number of people and may be freely moved from one computer location to another, so long as there is no possibility of it being used at one location while it's being used at another, just as a book cannot be read by two different persons at the same time.

You are encouraged to distribute individual copies of the Software to others for evaluation, without any kind of remuneration. Please encourage them to register their copy if they find the Software useful. All registered users will be entitled to all future upgrades free of charge.

Commercial users of the Software must register and pay for their copies of the Software within 30 days of first use or their license is withdrawn. Site-License arrangements may be made by contacting West End.

Anyone distributing the Software for any kind of remuneration must first contact West End for authorization. This authorization will be automatically granted to distributors recognized by the Association of Shareware Professionals as adhering to its guidelines for shareware distributors, and such distributors may begin offering the Software immediately. However, West End must still be advised so that the distributor can be kept up-to-date with the latest version of the Software.

If you have purchased a license for the Software, you may transfer the license on a permanent basis provided you retain no copies of the Software and the recipient agrees to the terms of this license agreement. Except as provided in this agreement, you may not transfer, rent, lease, lend, copy, modify, translate, sublicense, time-share or electronically transmit or receive the Software or documentation. You acknowledge that the Software in source code form remains a confidential trade secret of West End and/or its suppliers and therefore you agree not to modify the Software or attempt to decipher, decompile, disassemble or reverse engineer the Software, except to the extent applicable laws specifically prohibit such restriction.

### DISCLAIMER OF WARRANTY

THE SOFTWARE IS PROVIDED AS IS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WEST END AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH REGARD TO THE SOFTWARE AND THE ACCOMPANYING DOCUMENTATION.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WEST END OR ITS SUPPLIERS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THIS WEST END PRODUCT, EVEN IF WEST END HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

### HIGH RISK ACTIVITIES

The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). West End and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

#### U.S. GOVERNMENT RESTRICTED RIGHTS

The Software and documentation are provided with RESTRICTED RIGHTS.
