0b815f5f84012584067f411b312d37OneVision: Info ± Quick Start

## Hilfe;¬Quick Start

paste.tiff ¬

This command gives you a brief introduction to OneVision.

After clicking this switch, a sample document will open, explaining how to work with frames (creating, modifying, rotating, etc.). It also describes the concept behind modules and tools. To use the introduction, just follow the instructions given in the document.
