License Agreement

This program and all its modules are subject to the conditions stated in this agreement. As a user of a commercial, full version you must be acquainted with all these terms and conditions relevant for using the OneVision software.

Information how to get a full working version from a demo version is described in the chapter <Licensing OneVision and Modules> (../MainMenu/Info/Licensing.rtf; ;~).

All rights reserved

OneVision GmbH reserves all rights in regard to the OneVision software. This manual, the program and its code may not be modified or manipulated without written permission of OneVision GmbH.

Using fonts with this software—like on any other system in digital prepress—assumes that you acquired the rights on these fonts from their respective owners. Using fonts without permission (license) from the owners is prohibited. By opening the CD package, you commits yourself to observe this restriction when using the software and to pass on this agreement to everybody to whom you will be giving this software.

All rights on images and illustrations on this CD are reserved to their respective owners and not to OneVision GmbH. Using these images and illustrations, except for demonstrations, educational, or training purposes, may violate the right of their proprietaries and is strictly prohibited. Any further duplication and usage requires the owner's explicit permission.

Constraints

The following agreements are valid for all goods and services acquired by the licensee in connection with the OneVision software as far as no other contracts have been written down.

This agreement becomes valid after reading this file and further use of the software.

License Grant

OneVision GmbH grants the licensee the rights to use the OneVision software and its manuals under the terms that they have licensed their copy. A license is bound to a user of a NEXTSTEP operating system to whom the following restrictions apply:

- the software may only be used on one computer by one person at a time.
- several persons may use the software at different times on different computers within a network (as far as they log in with the same user-id).
- the computer on which OneVision is installed may be moved to different places.

If you license the OneVision software several times, the rights stated before apply to each license.

Unlicensed software (i.e. demonstration versions) imply restrictions in printing, saving and loading documents and may freely be copied, installed and distributed. The name of the application (^aOneVision^o) and the copyright note must be added to all copies of the OneVision software, though.

Disclaimer of Warranties

OneVision GmbH takes efforts to create software as reliable as possible. As for the complex nature of computer software no guarantee is given that this software won't exhibit any errors. OneVision GmbH doesn't warrant that this software will meet the

requirements of the licensee, that it will operate in the any combinations which the licensee may select, or that its operation will be uninterrupted or error free. OneVision GmbH assumes no liability regarding the use of or any defect in the software.

Educational Versions

Versions of OneVision obtained and licensed for education may not be use for commercial purposes.

No Assignment

No licensee may assign, sublicense, rent or resell any of the rights protected in this agreement to any third-party without the express written approval of OneVision GmbH.

Severability

If any provision of this agreement is held invalid or unenforceable for any reason, such invalidity shall not affect the validity of the remaining provisions of this agreement, and OneVision GmbH will substitute for the invalid provision a valid provision which most closely approximates the intent and economic of the invalid provision.

Governing Law

This agreement shall be governed by the laws of the Federal Republic of Germany.

For any contracts or agreements, the <Terms and Conditions of Trade> (;../Appendix/GeneralBusinessConditions.rtf;;¬) of OneVision GmbH will apply.

Acknowledgment
