

ADOBE PHOTOSHOP 3.0 TRYOUT READ ME

Welcome to the Adobe Photoshop 3.0 Tryout. This version of Adobe Photoshop is intended to give you a preview of the features of Adobe Photoshop 3.0. It includes nearly all of the features found in the full version, except that it will not allow you to save, export, or print files or allow you to copy files to other applications via the clipboard. This version will run native on Microsoft Windows 3.1, Windows NT and the new Windows 95.

Included with this Adobe Photoshop 3.0 Tryout is a tutorial file called TUTOR.PDF, located in the PSTUTOR directory on this CD-ROM, which will walk you through some of the key features and tools of Adobe Photoshop. This file can be printed out using the Adobe Acrobat Reader included on this CD-ROM. To install the Adobe Acrobat Reader simply follow the instructions in the README.TXT file located in the PSTUTOR directory on the CD-ROM.

For more information about Adobe Photoshop, please call Adobe Systems at 1-800- 833-6687. Outside North America, contact your local Adobe distributor or call 1-206-628-2749.
