

ADOBE® AFTER EFFECTS® 3.1 WINDOWS TRYOUT READ ME

Welcome to the Adobe After Effects 3.1 Tryout for Windows 95 and Windows NT! This version of Adobe After Effects is intended to give you a preview of the features of Adobe After Effects 3.1. In this version you have access to all of the features found in the Standard version of the product, except that you cannot save or render your projects.

The Adobe After Effects product family consists of:

Adobe After Effects 3.1, available through all authorized Adobe resellers
Adobe After Effects 3.1 Production Bundle, available through authorized Adobe value added resellers (VARs)

For more information please visit the After Effects web page, located at:

<http://www.adobe.com/prodindex/aftereffects/main.html>

For questions or for the of a value added reseller nearest you please call 1-800-628-2320 in the US and Canada. Outside the US please contact your local Adobe distributor.
