What the experts have to say about COMit

*Best are COMit, a full-fledged communications  
package that could save you from buying  
anything else...*

*PC MAGAZINE - April 27, 1993*

*I've never seen an easier, faster installation. It's  
ready to go on-line minutes after coming out of  
the box. And its script-writing is a dream for  
beginners--fully automated and easily edited.*

*MOBILE OFFICE - February 1992*
