

About the Adobe® Photoshop® 4.0 Tryout Sample Files

The default installation of Adobe Photoshop 4.0 Tryout includes a number of sample files that you may use in learning and experimenting with the software. These images come from a number of different sources.

PhotoDisc

A number of the sample files have been provided by PhotoDisc, Inc. Below are listed these files, along with the original PhotoDisc filenames in parentheses:

Shoes (15090)
Mallorca (17256)

Additional PhotoDisc images were used in creating the Ball file.

Image Club Graphics

Some of the elements in the Ball file also come from Image Club.
