

End-User License Agreement for PhoA Software Package

This End-User License Agreement (**EULA**) is a legal agreement between you (either an individual or a single entity) and the author of this Software (**DK Software**) for the **PhoA Software Package**, which includes computer software and may include associated media, printed materials, and *online* or electronic documentation (**Software Product**).

By installing, copying, or otherwise using the **Software Product**, you agree to be bound by the terms of this **EULA**. If you do not agree to the terms of this **EULA**, do not install or use the **Software Product**.

Software Product License

All versions of the **Software Product** are protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

The sole property belongs to **DK Software**. The **Software Product** may not be duplicated, sold, distributed or utilized in any manner not described herein without the prior written consent of **DK Software**.

Parties interested in licensing the **Software Product** for other than personal use should contact **DK Software** by e-mail: phoa@narod.ru .

1. Grant of license

This **EULA** grants you the following rights: *Installation* and *Use*. You may install and use an unlimited number of copies of the **Software Product**.

Reproduction and Distribution

You may reproduce and distribute an unlimited number of copies of the **Software Product** provided that each copy shall be a true and complete copy, including all copyright and trademark notices, and shall be accompanied by a copy of this **EULA**. The **Software Product** may not be included in any free, shareware or commercial packages or products.

2. Description of other rights and limitations

Limitations on reverse engineering, decompilation, disassembly and alteration of the resources in the compiled the assembly. You may not reverse engineer, decompile, or disassemble the **Software Product**, except and only to the extent that such activity is explicitly permitted by applicable law notwithstanding this limitation.

Separation of Components

The **Software Product** is licensed as a single product. Its component parts may not be separated for use on more than one computer.

Software Transfer

You may permanently transfer all of your rights under this **EULA**, provided the recipient agrees to the terms of this **EULA**.

Termination

Without prejudice to any other rights, **DK Software** may terminate this **EULA** if you fail to comply with the terms and conditions of this **EULA**. In such event, you must destroy all copies of the **Software Product** and all of its component parts.

3. Copyright

Except otherwise explicitly noted, all title and copyrights in and to the **Software Product** (including but not limited to any images, photographs, animations, video, audio, music, text, and applets incorporated into the **Software Product**), the accompanying printed materials, and any copies of the **Software Product** are owned by **DK Software**. The **Software Product** is protected by copyright laws and international treaty provisions. Therefore, you must treat the **Software Product** like any other copyrighted material.

Limited Warranty

No warranties

DK Software expressly disclaims any warranty for the **Software Product**. The **Software Product** and any related documentation is provided **as is** without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose, or noninfringement. The entire risk arising out of use or performance of the **Software Product** remains with you.

No liability for damages

In no event shall the author of this **Software Product** be liable for any special, consequential, incidental or indirect damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this product, even if **DK Software** is aware of the possibility of such damages and known defects.

Registration

PhoA is a donationware product. It may be used free of charge for any purpose. We ask that donations be made from our website if you can afford to do so. Visit <http://www.dk-soft.org/> for further information.

By using this software, you are agreeing to the terms of this license.
