(b) **"Trial Version"** means a version of the Software, so identified, to be used only to review, demonstrate and evaluate the Software for a limited time period. The Trial Version may have limited features and will cease operating after a predetermined amount of time due to an internal mechanism within the Trial Version.

(c) **"Beta Version"** means an unfinished version of the Software, so identified, to be used only to test the Software for a limited time period. The Beta Version may have errors and limited features and is not intended for use on production systems. It will cease operating after a predetermined amount of time due to an internal mechanism within the Beta Version.

(d) **"Developer"** means a human being or an automated device using the Software in accordance with the terms and conditions of this EULA.

(e) **"Developed Software"** means those computer software products that are developed by or through the use of the Software.

(f) **"Redistributable Files"** means the Software files or other portions of the Software that are provided by dcw solutions and are identified as such in the Documentation.

### II. Your license to develop and to distribute

This EULA grants you two licenses (the **"Licenses"**):

- 1) A license to use the Software to develop other software products (the **"Development License"**)  
and
- 2) A license to use and/or distribute the Developed Software (the **"Distribution License"**)

#### 1. Your Development License.

You are hereby granted a limited, royalty-free, non-transferable and non-exclusive right to use the Software to design, develop, and test Developed Software, on the express condition that, and only for so long as, you fully comply with all terms and conditions of this EULA.

You may perform a single install of the Software for use in designing, testing and creating Developed Software on a single computer with a single set of input devices, so long as such a computer is used only by one Developer.

You may not install or use the Software on a computer that is a network server or a computer at which the Software is used by more than one Developer. You may not network the Software or any component part of it, where it is or may be used by more than one Developer unless you purchase an additional Development License for each Developer.

## **2. Your Distribution License**

You are granted the license to use and to distribute Developed Software on a royalty-free basis, provided that the Developed Software incorporates the Software as an integral part of the Developed Software in compiled format (customarily an ".exe", or ".dll", etc.). You may not distribute, bundle, wrap or subclass the Software as Developed Software which, when used in a "designtime" development environment, exposes the programmatic interface of the Software. You may distribute, on a royalty-free basis, Redistributable Files with Developed Software only.

## **III. General license grants and restrictions**

(a) You are granted the right to make one (1) archival copy of the Software for the sole purpose of backing up the Software and protecting your investment from loss. You must reproduce on any such copy all copyright notices and any other proprietary legends on the original copy of the Software. You may not sell or transfer any copy of the Software.

(b) Other than with respect to a Trial Version or Beta Version of the Software, you may permanently transfer all of your rights under this EULA only as part of a sale or transfer, provided you retain no copies, you transfer all of the Software (including all component parts, the media and printed materials, any upgrades, this EULA, the serial numbers, and, if applicable, all other Software products provided together with the Software), and the recipient agrees to the terms of this EULA. If the Software is an upgrade, any transfer must include all prior versions of the Software from which you are upgrading. You may not sell or transfer any Trial Version or Beta Version of the Software.

(c) You may not alter, merge, modify, adapt or translate the Software, or decompile, reverse engineer, disassemble or otherwise reduce the Software to a human-perceivable form, or create derivate works based upon the Software.

(d) You may not alter the contents of a hard drive or computer system to enable the use of a Trial Version/Beta Version of the Software for an aggregate period in excess of the trial period/beta period for one license to such a Trial Version/Beta Version.

(e) You may not use the Trial Version of the Software for a purpose other than the sole purpose of determining whether to purchase a license to a commercial version of the Software.

(f) You may not use the Beta Version of the Software for a purpose other than the sole purpose of testing the Beta Version for functionality, errors and completeness.

(g) You may receive the Software in more than one medium but you shall only install or use one medium. Regardless of the number of media you receive, you may use only the medium that is appropriate for the computer on which the Software is to be installed.

(h) You may not rent, lease, or sublicense the Software.

(i) You may not use the Software to develop any application having the same primary function as the Software.

(j) Failure to comply with any of these terms will terminate this agreement and your right to use the Software. Upon termination of this agreement, you must immediately destroy the Software and all copies of it.

(j2) In the event that you fail to comply with this EULA, dcw solutions may terminate the license and you must destroy all copies of the Software (with all other rights of both parties and all other provisions of this EULA surviving any such termination)

#### **IV. Upgrades**

If this copy of the Software is an upgrade from an earlier version of the Software, it is provided to you on a license exchange basis. You agree by your installation and use of such copy of the Software to voluntarily terminate your earlier EULA and that you will not continue to use the earlier version of the Software or transfer it to another person or entity unless such transfer is pursuant to Section III.

#### **V. Ownership**

The foregoing license gives you a limited license to use the Software. dcw solutions and its suppliers retain all right, title and interest, including all copyright and intellectual property rights, in and to, the Software (as an independent work and as an underlying work serving as a basis for any application you may develop), and all copies thereof. dcw solutions reserves all rights not otherwise expressly and specifically granted to you in this EULA, including Federal and International Copyrights.

#### **VI. Limited Warranty And Disclaimer**

The media the software is furnished is warranted to be free of defects in workmanship and material under normal use for a period of sixty (60) days from the date of purchase by you. dcw solutions' and its suppliers' sole responsibility and your exclusive remedy under this warranty will be to receive a replacement of the media or a full refund if dcw solutions or its suppliers are unable to deliver media free from defects in workmanship and materials.

**THIS SOFTWARE IS LICENSED "AS IS" WITHOUT WARRANTY AS TO ITS PERFORMANCE. EXCEPT FOR THE MEDIA WARRANTY PROVIDED ABOVE, THERE ARE NO WARRANTIES EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED. dcw solutions DOES NOT WARRANT THAT THE SOFTWARE IS ERROR-FREE OR WILL OPERATE WITHOUT INTERRUPTION.**

The Software is not designed, intended or licensed for use in hazardous environments requiring fail-safe controls, including without limitation, the design, construction, maintenance or operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, and life support or weapons systems. dcw solutions specifically disclaims any express or implied warranty of fitness for such purposes.

You agree to indemnify, hold harmless, and defend dcw solutions and its suppliers and resellers from and against any and all claims or lawsuits, including attorney's fees, that arise or result from this EULA.

No oral or written information or advice given by dcw solutions, its dealers, distributors, agents or employees shall create a warranty or in any way increase the scope of any warranty provided herein.

#### VII. Customer Remedies

dcw solutions and its suppliers' entire liability and your exclusive remedy shall be, at dcw solutions' option, either (a) return of the price paid for the Software; (b) repair of the Software through updates distributed online or otherwise in dcw solutions' discretion.

This limited warranty is void if failure of the Software has resulted from accident, abuse, or misapplication.

**TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL dcw solutions BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFIT, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF dcw solutions HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES AND JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES IN CERTAIN CASES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.**
