

JRE Enterprises BBS

JRE Enterprises BBS is available for support, bug reports, conferences and downloading of shareware programs. All the latest versions of our shareware, plus hundreds of other Windows and OS/2 shareware programs, are available for download. To protect against viruses, **no** uploads are allowed to the BBS. Usage of the BBS is free, except you pay for any long-distance telephone charges.

And, only through the BBS, we will be running special promotions and discounts on all of our software. So, stop by and give us a try.
