- b) The Software may not be sold as a product or part of a product for any reason whatsoever without a license from Radiant Software. This explicitly includes, but is not limited to, published books, catalog vendors, mail order vendors, shareware vendors, retail vendors, cover disks, modem manufacturers, and computer dealers, including the Software pre-bundled on computers they sell; and
- c) No charges or payment may be levied or accepted for the Software.

Bulletin board system operators, online services, FTP sites, and computer user groups may post and distribute the demonstration version of the Software without written permission only if the above conditions are met.
