How to register....

Please register your copy of the **Internet Resources Database - Reader & Notebook,** if you decide to use the program on a ongoing basis.

As a registered user you get:

* Support via email or fax
* Subscription to the IRD-USER-INFO list for information on new datafiles, upgrades etc.
* Free upgrading to new version's of the IRD - Reader & Notebook program in the form of compact upgrade programs.

and:

You support the further development of this program and the maintenance of the (your) Internet Resources Database.

Registration will eliminate all registration reminders from your program.

There are two ways to register:

A) Register the Shareware version you have downloaded, received from a Shareware distributor, as pre installed software or by other ways.

The Registration fee is DM 30,-- (US$ 22)

You will get the registration code for your program via email.

B) Order the registered version on disk. You will receive the current version of the IRD - Reader & Notebook program **plus** the complete current Internet Resources Database on 3.5" Floppy disks (3 disks)

The price for the disk version is DM 49,95 (US $35) plus shipping & handling

You can register by:
