

Ordering Telemate through USA RegSite

Telemate represents extensive programming, documentation, and testing with Regional Support Sites available for this quality product. As development on Telemate is ongoing, additional features, user options, and improvements will become available in future releases.

Telemate is distributed under the Shareware concept. This means you have the opportunity to "try before you buy". You may use this program, but after a 30 day evaluation period you MUST register or you MUST stop using Telemate.

Additional features for Registered Users:

- Remove all UNREGISTERED indicators and displays
 - Telemate is a "Register Once, Own It Forever" program; all upgrades are FREE!
- Simply download or FReq the most current version from your nearest authorized RegSite. FReq magic filename: TM or TELEMATE

To register Telemate, fill out the Registration Form below, and send it to either the National RegSite or your nearest Regional RegSite by Netmail, FAX, or normal surface mail.

For even speedier service, you can call your Regional RegSite and use your Credit Card to register by voice during the hours listed, or log onto their BBS and use the on-line Credit Card door. Your Registration Data will be placed on Hold with a File Attach message to you within 24 hours or less!!

Credit Card options, BBS numbers and voice numbers are listed for each RegSite. Group discounts are available for 10 or more registrations at the same time. Contact your nearest authorized RegSite for additional details.

For Commercial Registrations and Site License please contact your nearest authorized RegSite.
