

Introduction

Chrono-Logic is a personal scheduling and reminder program for Windows 95 and NT 3.51 or later. Chrono-Logic allows you to plan and track your schedule. Chrono-Logic's reminder feature gives you advance notice about important upcoming events. Chrono-Logic allows you to view your schedule in daily and weekly mode. Chrono-Logic's search feature allows you to perform convenient and precise event searches. Chrono-Logic's print feature prints your schedule graphically or textually.

Required Hardware and Software

Windows 95 or NT 3.51 or later running on a '386, '486, or Pentium computer.

Installing Chrono-Logic

Run `SETUP.EXE` from Windows 95 or NT.

Running Chrono-Logic

For information on running Chrono-Logic, see Chrono-Logic's on-line help.
