

Credit Card Ordering Information

You have two options if you wish to pay for your registration with a credit card. Ordering by credit card is quick and easy, and hopefully much more convenient for non-U.S. users.

Due to the additional charges imposed by the following services, credit card registrations are \$20. You may avoid the additional \$5 fee by sending a check to Steven J. McCarthy directly (see the file REGISTER.WRI file for details). Please note that this does not include a disk, only registration information which will turn off the "reminder" screen. See REGISTER.WRI for pricing information on disks.

CREDIT CARD REGISTRATION

You can order directly from Steven McCarthy or from **Public (software) Library** with your **MasterCard, Visa, American Express, or Discover** by calling **800-242-4PsL** (from overseas: 713-524-6394) or by FAX to 713-524-6398 or by CompuServe to 71335,470. These numbers are for ordering only.

Steven McCarthy can NOT be reached at those numbers.
