

## **TweakJr 99 LE**

Thank you for downloading and using TweakJr 99 LE. The features on the following pages is not working in the LE version:

System, Wallpaper, Internet Explorer, Internet, Reg Info, More Security, Preferences.

If you would like to use these features you'll need to buy the Professional version, you will also get a complete help file and support. I will help all users but the Pro users will have highest priority. This will cost you between 15 and 19.95 US dollar. If you send me cash, that means NO CHECKS and NO COINS it costs you 15 US dollars. If you want to pay any other way, you can pay using credit card online, by check, by fax, by phone and some other ways, please visit:

<http://www.jockesoft.com>

Or go directly to the secure online registration:

[https://www.regsoft.com/cgi-bin/reg\\_it\\_offsite.pl?11639](https://www.regsoft.com/cgi-bin/reg_it_offsite.pl?11639)

If you'd like too send me money just put the bill(s) in an envelope along with a piece of paper with your name and email address and snail mail it to:

Joakim Fredlund  
Jonkopingsgatan 27b  
S-252 52 Helsingborg  
Sweden
