Vacation Memories

Africa: Sahara

Couldn't locate photos. Either the gallery has not been installed or the document has been moved.

Riding a camel made me seasick

Africa: Sahara

At the edge of an oasis shortly before sunrise

USA: Arizona

Just like in the movies!

USA: Arizona

The Canyons: One of nature's most stunning sights

USA: San Francisco

A rare sight of the Golden Gate Bridge without fog

USA: National Parks

Trees and flowers in a very peaceful setting

USA: National Parks

Snow on the ground - even in summer

USA: National Parks

You feel quite small next to these trees and mountains

Caribbean: Island Romance

Nowhere else in the world has sunsets like this

India: Taj Mahal

Built by a maharajah as a monument of eternal love to his deceased wife

Germany: Central Highlands

Quaint country cottages

Germany: Central Highlands

Forests and canola flowers in bloom

Germany: Rhineland

Dense primeval forests

France: Provence

The romance of a medieval castle

The End
