

iTunes Publisher

What You Get When You Register

- You can break up the export of large playlists into multiple pages, complete with navigation.
- You can export almost all of the fields (e.g. genre, time, etc...)
- You can link to your MP3s for downloading.
- You'll be supporting further development.

How To Register

Registering iTunes Publisher will unlock all of its features. You may register via PayPal or US Mail. There are no refunds once you have been given a valid code.

To register via PayPal, transfer \$5 to "josh@mac.com". Then send an email to that same address with your username (at least 6 characters). I will reply with an unlock code as soon as possible.

To register via US Mail, send \$5 and a note with a user name (at least 6 characters) and your email address. I'll email you your registration code as soon as possible. My address is:

Josh Aas
Macalester College
1600 Grand Ave.
St. Paul, MN 55105

Thank you in advance for your support!
