“I’d like to thank you all for coming. I’m sorry if it’s been a bit long, but I wanted to make sure everyone was safe and accounted for. We’re still investigating what happened, but初步调查显示，the investigation has shown that the incident was caused by a technical malfunction. There were no signs of foul play or criminal activity. We’re working closely with the police and other relevant agencies to ensure a full and thorough investigation. Thank you again for your cooperation and understanding.”
