An amendment or addendum to this EULA may accompany the SOFTWARE. By installing, copying, or otherwise using the SOFTWARE, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, do not install, copy or otherwise use the SOFTWARE.

SOFTWARE LICENSE

The SOFTWARE is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The SOFTWARE is licensed, not sold.

1. GRANT OF LICENSE. This EULA grants you the following limited, personal, non-exclusive, nontransferable, non-assignable rights:

- **SOFTWARE.**

Installation and Use. You may download and save the SOFTWARE to a computer on your premises to create a bootable image on up to two (2) physical mediums (e.g. floppy disk and/or CD-ROM) (“Boot Media”) for the sole purpose of running an internal diagnostic on your computers that experience an error while running a Windows operating system (“Purpose”). You may also install and use the Boot Media on a computer residing on your premises acting as a server which may be connected at any point in time to an unlimited number of workstations or computers operating on one or more internal networks for the Purpose.

Electronic Documents. Solely with respect to any electronic documents included with the SOFTWARE, you may make one (1) additional copy (either hardcopy or electronic form), provided that (a) such copy shall only be used for internal purposes and solely in support of your authorized use of the SOFTWARE, and (b) is not published or distributed to any third party.

Reports. Reports generated by your use of the SOFTWARE as installed by the Boot Media are temporary and are only intended for your internal use to assist you with identifying that you may have a hardware issue(s).

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

- **Limitations on Reverse Engineering, Decompilation, and Disassembly.** You may not reverse engineer, decompile, or disassemble the SOFTWARE, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

Microsoft is not obligated to make this or any later version of the SOFTWARE commercially available. You may not use the SOFTWARE in a live operating environment where it may be relied upon to perform in the same manner as a commercially released product or with data that has not been sufficiently backed up. In no event shall Microsoft be obligated to provide you a copy of the commercial release version (if any) of the SOFTWARE in connection with your participation in testing this SOFTWARE.
- **Termination.** The term of this EULA shall commence upon the date you first install or otherwise use the SOFTWARE and shall terminate without notice upon the earlier of (i) October 1, 2003 and (ii) the commercial release of the SOFTWARE by Microsoft. Without prejudice to any other rights, Microsoft may terminate this EULA if you fail to comply with the terms and conditions of this EULA. Upon termination of this EULA for any reason, you must destroy all copies of the SOFTWARE and all of its component parts.
- **Consent to Use of Data.** You agree that Microsoft and its affiliates may collect and use technical information gathered in any manner as part of the product support services provided to you, if any, related to the SOFTWARE. Microsoft may use this information solely to improve our products or to provide customized services or technologies to you. Microsoft may disclose this information to others, but not in a form that personally identifies you.
- **Feedback.** You have no obligation to give Microsoft any suggestions, comments or other feedback, including usability, bug reports and test results (collectively, “Feedback”) relating to the SOFTWARE. However, for any Feedback you voluntarily provide, you agree that: (i) Microsoft may freely use, disclose, reproduce, license, distribute and otherwise commercialize the Feedback in any Microsoft product, technology, service, specification or other documentation (collectively, “Microsoft Offerings”); (ii) You also grant third parties, without charge, only those patent rights necessary to enable their products, technologies or services to use or interface with any specific parts of a Microsoft Offering that incorporate the Feedback; and (iii) You will not give Microsoft Feedback subject to license terms that seek to require any Microsoft Offering that

incorporates or is derived from any Feedback, or other Microsoft intellectual property, to be licensed to or otherwise shared with any third party.

- **No Rental/Transfer.** You may not rent, lease, lend, sell, sublicense the SOFTWARE, or provide commercial hosting services with the SOFTWARE, to any third parties. You also may not assign or otherwise transfer the SOFTWARE or any of the rights granted to you under this EULA to any third parties.
- 3. ADDITIONAL SOFTWARE/SERVICES.** This EULA applies to additional software and updates of the SOFTWARE, including without limitation supplements, service packages, hot fixes, or add-on components (collectively “Supplements”) that Microsoft may provide to you or make available to you after the date you obtain your initial copy of the SOFTWARE, unless we provide other terms along with such Supplements.
- 4. RESERVATION OF RIGHTS AND OWNERSHIP.** You may only use the SOFTWARE, including the Boot Media that contains the SOFTWARE for the Purpose. This EULA grants you rights solely with regard to your use of the SOFTWARE. You may not market, provide or otherwise distribute the SOFTWARE, including without limitation the Boot Media, to any third parties.
