

Thank you for trying Label Designer Plus DELUXE

Label Designer Plus DELUXE is available for a free 15 days of use trial. This allows you to try Label Designer Plus DELUXE and judge for yourself just how useful it is to you. During the trial period a small watermark will be printed on all designs. This allows you to fully evaluate the software before deciding if you want to purchase it to print actual for use designs. After purchasing and entering your license information the watermark will no longer be printed.

A single, powerful product for all your labeling needs! Label Designer Plus DELUXE allows you to create great looking Address and Shipping Labels, CD/DVD Labels and Inserts, Envelopes, Post Cards, Name Badges, Signs and other media labels for audio tapes, diskettes, ZIP disks, file folders, and more. With the same proven user interface from our Designer Series products, DELUXE is easy to use for beginners, yet powerful enough for experts.

CREATE GREAT LOOKING LABELS - Use the wide variety of tools to add text, graphics, shapes, barcodes, shadows, arc text and other effects to your design. Vary the color and style of any object for an endless array of possibilities.

SUPPORT FOR VIRTUALLY ALL STOCK (US AND METRIC) - Select an existing layout or add your own for any stock you want to print. Use standard stock or define your own.

LINK DESIGNS TO VIRTUALLY ANY DATABASE - Link to the built in Personal Database or any comma-delimited text or CSV file or use ADO and ODBC to link to external databases. Use the Field Wizard to create multi-line complex fields such as complete addresses and full names. Use the built-in database filtering to select and print only records that meet selected criteria.

GET IT DONE FAST! - Use the Design Wizard to get started in a matter of seconds. Once you basic design is created tweak it as needed or print it just the way it is.
