

HP PC Electronic Sales Tools for Windows Installation Procedure

HP PC Electronic Sales Tools for Windows contains three applications:

- | | |
|------------------------|--|
| - HP Product Browser | Contains product information on all HP PC products (PCs, monitors, servers, networking products, handhelds) with links to local currency pricing |
| - HP Quotation Builder | Allows building of a quotation on all above products incorporating customer and reseller discounts |
| - HP Price Lookup | Price list in local currency (also accessible within the other two applications) |

This tool runs on any PC running Windows 3.1, including any HP OmniBook PC, and requires approximately 1.5 MB of free disk space.

To install on your PC, follow the steps below using **Windows File Manager**:

- 1) On your target PC, create a directory called: **C:\HPPC-EST**.
- 2) Transfer the compressed **HPPCEST0.EXE** to **C:\HPPC-EST**.
- 3) Double-click on **C:\HPPC-EST\HPPCEST0.EXE** - your PC will start decompressing the files.

Press **F5** to refresh File Manager - you now have the following files in **C:\HPPC-EST**:

HPPCEST0.EXE	Original compressed file
HPPC-EST.HLP	Product Browser utility
HPPRICES.HLP	List of local currency prices (WinHelp format)
HPPRICES.TXT	List of local currency prices (ASCII format)
QUOTATIO.EXE	Quotation Builder utility
QUOTATIO.HLP	Help file for Quotation Builder
PLOOKUP.EXE	Price Lookup utility
HPPC-EST.GRP	Windows group file (for quick installation)
HPPC-EST.ICO	Icon file for Product Browser
PLOOKUP.ICO	Icon file for Price Lookup
HPPC-EST.ICO	Icon file for Quotation Builder
VBRUN300.DLL	Visual Basic 3.00 RunTime DLL
CMDIALOG.VBX	Visual Basic Custom Control
SSBC.VBX	Visual Basic Custom Control
INSTALL.WRI	Installation procedure

To save disk space, delete **HPPCEST0.EXE**

- 4) Under Windows Program Manager, select **File** then **New** followed by **Program Group** and **OK**. In the **Group File** box, type **C:\HPPC-EST\HPPC-EST**, and press **OK**.
- 5) You now have icons for each of the three applications in a new program group. Here is the recommended way to get up and running as quickly as possible:

Product and Pricing Browser Click on the **Help** icon at the bottom right of the

Quotation Builder
Price Lookup

screen

Select **Help** then **Content**

Either scroll the price list or use **Find** to search
for the product you want
