

PhotoMeister License

Unregistered users: You may use the fully functional Trial Version of PhotoMeister for 30 days free of charge. If you like the product and want to use the software after that, you must buy a license.

Registered users: You may use this updated version of PhotoMeister without any limitations!

License and Usage Terms

For payment of the license fee the licensee is granted one (1) non-exclusive, nontransferable license to install and use PhotoMeister on one (1) computer at a time or install PhotoMeister on one (1) computer to be used by multiple users. It is expressly forbidden to install PhotoMeister for use on multiple computers without paying additional license fees. Licensee warrants that they will make a reasonable effort to remove unused licenses of PhotoMeister. Please contact us via email at sales@paessler.com for site licenses and volume discounts.
